MEMORANDUM FOR: Assistant Director, Current Intelligence  
Assistant Director, National Estimates

SUBJECT : NSAM 219

This is to advise you that NSAM 219, which called for a weekly memorandum on French-Soviet relations has been rescinded as of 19 February. Mr. Bromley Smith reminds us, however, that there is still great interest in any information or intelligence on relations between Paris and Moscow and that these should be assessed and reported on a high priority basis.
